

Low Interest Loans for the Needy

The Belleville Council Society of the Society of St. Vincent de Paul (SVdP) and Catholic & Community Credit Union (CCCU) have a partnership to offer low interest loans to the needy. This program is intended to help the working poor with loans of up to \$300 to help meet unexpected and critical expenses. St. Vincent de Paul will screen applicants and complete a brief application for those who meet the established criteria. Catholic and Community Credit Union will complete the formal application process for those applicants receiving loans. SVdP will assist the client to open an account, thus becoming a member of the CCCU. The loan repayment schedule will be agreed upon with the client with an interest payment of 3%. The client will be required to attend a St. Vincent de Paul budgeting class after the loan has been completed.
